

gort

Shall we continue
with our
dictionary, Gort?

Very well...
Our next
word is:
"phlebotomy".

Its definition: "The
act or practice of
bloodletting as a
therapeutic
measure."

And its
practitioners
are, I'm sure,
called:
"phlebotomists"?

Michael Bailey

No...
"Generals."

gort

Yoo hoo ~
Rise and
shine, Gort!

AARGH!
GO AWAY!

You're hung over again,
aren't you, Gort?!
Tut, tut... Early to bed,
Early to rise, y'know...
And, the Early Bird
gets the Worm!...

Yes.

He
does.

**YOU'RE BOTH
INDICTED FOR
INDECENT
EXPOSURE!!**

What'll
we DO?!
**WHERE.
CAN WE
GO?!?**

Psst...for people like
you, I hear there's a
haven called L.A. ...
& it's 'specially great
if you can play
for th' Rams!

gort

Ooo... you big, strong, hulkin' brute! Why, I'll bet a handsome thing like you jus' has t' fight off th' women!

An'a po' li'l ol' gal like me jus' couldn' hope t' evah get any cuddly-muddlin' from...

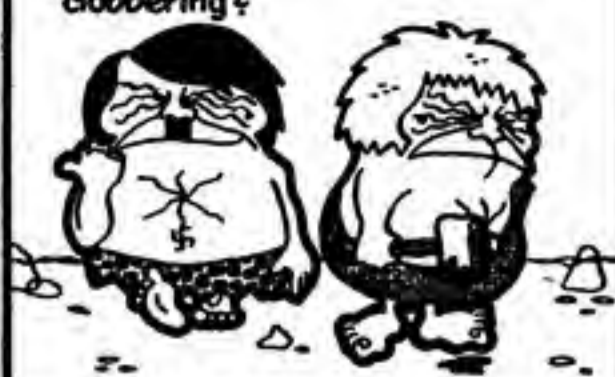

SPLAT!

JOVE, Gort! What odious crime did she commit to deserve such a clobbering?

'Wenchcraft.'

The only stainless steel fry pan

with removable handle-legs... sets the new trend in styling.

THE *Imperial*
BUFFET FRY PAN
So practical you'll use daily,
and so elegant as a serving
piece when you entertain.

Model T803

Stainless Steel,
cast-on aluminum
bottom.

Combination handle-
legs detach easily.

Handle adjusts so
pan can be tilted.

Whenever a gift is in order...

IT'S TOASTMASTER TIME

Time proves the lasting beauty and true quality of Toastmaster appliances. So whenever you want someone special to know how very much you care, give a Toastmaster appliance. And give yourself one. You should have the best, too.

INTRODUCING A TROGLODYTE:

gort

WELL, HERE'S GORT.

And, as you can see from the inaugural cartoon above, Gort is an ugly, bushy-haired, uninhibited little cavewoman — a troglodyte, originally named "Trog" but later called "Gort" by Michael Kelly, the creator, who liked the backward spelling better.

Gort, in turn, has weaknesses of his own which you will discover in coming issues of Bonanza. He has a weakness for deep thinking, for clobbering women who practice "wenchcraft," for making people think, for using words like onomatopoeic, for being irreverent, cynical and impatient not only with his fellow cave dwellers, but with the world.

"Some people," warns Kelly, "won't understand Gort." This may well be but many people have understood him since his birth on Kelly's drawing board at Mills College, Jackson, Mississippi, in 1958. Since that time the little cavewoman has appeared in more than 150 college newspapers and, within the past year, has become something of a phenomenon on the Nation's campuses.

Gort seems to be on his way.
